

North Wind Group is wholly owned by Cook Inlet Region, Inc. (CIRI), an Alaska Native Corporation (ANC). Our vision is to be a nationwide leader in the industrial, response, and reclamation services industry providing creative and practical solutions to complex problems.

North Wind's Industrial, Response, and Reclamation Services team has an established reputation due to our successful contract history and current engagements working for federal, state, commercial, and local agencies across the U.S. in rural, urban, and extremely remote areas as well as government-operated facilities. We leverage our highly skilled team with significant operational and industry-specific experience working with our clients to ensure an optimized, cost-effective execution process.
